

**DURHAM POLICE DEPARTMENT**  
**NEW ORDINANCES FOR FY 2005/2006:**

**The City of Durham and the US Department of Justice, Federal Asset Forfeiture Funds**  
**FY 2005/2006 - \$315,000**

Every year, the Police Department equitably shares in cash received from federal asset forfeitures and we set up an ordinance each year to receive the expected revenues. The federal asset forfeiture revenue and all accrued interest must be used for law enforcement purposes only, to supplement, and not supplant, the Police Department's existing resources.

**The City of Durham and the State of North Carolina Controlled Substance Abuse Funds**  
**FY 2005/2006 - \$165,000**

Every year, the Police Department equitably shares in cash received from North Carolina controlled substances excise tax assessments, also called Tax Stamp Funds, and we set up a new ordinance each year to receive the expected revenues. The controlled substance excise tax assessment revenue and all accrued interest must be used to enhance the ability of law enforcement agencies to deter and investigate crimes, especially drug offenses, and must supplement, and not supplant, the Police Department's existing resources.

**The City of Durham and the State US Department of Justice 2005, Bulletproof Vest Partnership Funds - \$65,323**

Since 1999, the Police Department has participated in a reimbursement program with the US Department of Justice Bulletproof Vest Partnership. We set up a new ordinance each year to receive the expected reimbursement of that year's funds available in the federal program for large cities. This program was established to assist municipalities offset the costs incurred in supplying bulletproof vests to its officers.

**The City of Durham and Durham County North Carolina and the US Department of Justice, 2005 Justice Assistance Grant (JAG) Funds - \$129,238**

The City of Durham, through the Durham Police Department, has been awarded a grant from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (USDJOJ/OJP/BJA). The grant has been made available to the City of Durham and to the County of Durham jointly, under the 2005 Edward Byrne Memorial Justice Assistance Grant (JAG) Program in the amount of \$258,476. The Council has authorized the City Manager to execute an interlocal agreement between the County of Durham and the City of Durham to submit a joint application for the aggregate of funds allocated to Durham County and for the City to receive one half (\$129,238) of the awarded JAG funds for purposes identified in the joint application. The County of Durham has agreed to be designated as the applicant/fiscal agent and thus, all JAG funds will be directed to the County of Durham and the County agrees to distribute one half (\$129,238) of the awarded JAG funds to the City of Durham. The grant award and all accrued interest must be used for the purpose of reducing crime and improving public safety and must supplement, and not supplant, existing resources.

**DURHAM POLICE DEPARTMENT**  
**NEW ORDINANCES FOR FY 2005/2006(continued):**

**The City of Durham and the US Department of Justice, Office of Community Oriented Policing Services (COPS) 2005 Technology Grant Program Funds - \$197,329**

The City of Durham, through the Durham Police Department, has been awarded a grant from the U.S. Department of Justice, Office of Community Oriented Policing Services (USDOJ/COPS), 2005 COPS Technology Grant Program. The grant award must be used for the purpose of developing technologies and automated systems to assist in investigating, responding to and preventing crime, and must supplement, and not supplant, existing resources.

**The City of Durham and the North Carolina Department of Crime Control and Public Safety, Division of Governor's Crime Commission Durham Project Safe Neighborhoods Grant Program Funds - \$83,700**

The City of Durham, through the Durham Police Department, has been awarded 2<sup>nd</sup> year funding on a grant for Durham Project Safe Neighborhoods under the North Carolina Department of Crime Control and Public Safety, Division of Governor's Crime Commission's (NCDCCPS/DGCC) Project Safe Neighborhoods Grant Program. The grant must be used to support the sustainment of a comprehensive, strategic response to the gun violence in Durham through community outreach and community engagement, and must supplement, and not supplant, existing resources.

**DURHAM POLICE DEPARTMENT  
ORDINANCE AMENDMENTS:**

**Supersedes Grant Project Ordinance #12982, concerning the City of Durham and the State of North Carolina “Controlled Substance Abuse Funds” Grant Project Ordinance FY04/05**

This ordinance is being revised to reflect a larger amount received than originally estimated. Every year, the Police Department equitably shares in cash received from the N.C. Department of Justice, Office of the State Controller for the Controlled Substance Excise Tax Assessment Program. If funds received exceed the executed project ordinance, the ordinance must be amended to reflect the actual funds received to allow for the expenditure of additional funds.

**Supersedes Grant Project Ordinance #12987, concerning the City of Durham and the U.S. Department of Justice, Bureau of Justice Assistance, “2003 Local Law Enforcement Block Grant” Project Ordinance, FY03-04**

This ordinance is being revised to reflect the receipt of program income. If funds received from accrued interest exceed the executed project ordinance, the ordinance must be amended to reflect the actual funds received to allow for the expenditure of additional funds. These funds will be used to improve public safety and to reduce crime.

**Supersedes Grant Project Ordinance #13043, concerning the City of Durham and the N.C. Department of Crime Control and Public Safety, Division of Governor’s Crime Commission, 2004 “Durham Project Safe Neighborhoods” Grant Project Ordinance, FY05 through FY07**

This ordinance is being revised to reflect an extension of time to complete the project. The Governor’s Crime Commission combined this project with the other two Project Safe Neighborhood Projects awarded to the City of Durham and extended the completion date of all three to coincide in 2007. Because this affects the conditions stated in an executed project ordinance, the ordinance must be amended to reflect the change in terms.

**Supersedes Grant Project Ordinance #13045, concerning the City of Durham and the U.S. Department of Justice, Bureau of Justice Assistance, “2004 Local Law Enforcement Block Grant” Project Ordinance FY04-05**

This ordinance is being revised to reflect the receipt of program income. If funds received from accrued interest exceed the executed project ordinance, the ordinance must be amended to reflect the actual funds received to allow for the expenditure of additional funds. These funds will be used to improve public safety and to reduce crime.

**Supersedes Grant Project Ordinance #13084, concerning the City of Durham and the U.S. Department of Justice, “Federal Asset Forfeiture Funds” Grant Project Ordinance FY 2004/2005**

This ordinance is being revised to reflect a larger amount received than originally estimated. Every year, the Police Department equitably shares in cash received from the Department of Justice federal asset forfeitures program. If funds received exceed the executed project ordinance, the ordinance must be amended to reflect the actual funds received to allow for the expenditure of additional funds.
